## DANE HUGGED AND BUTTED, HE SAYS

Took Three Hours to Reduce the Bumps on Terry's Head.

### HUMPHREYS WANTS TO FIGHT

Offers to Post a Forfeit of One Thousand Dollars For Another Match.

(Special to The Times-Dispatch.)

NEW YORK, March 19.—Terry McGovern's manager, Joe Humphreys, gave Terry's version of his recent battle with Nelson. Humphreys accused Nelson of hugging, wrestling and butting during the fight, and said the rules laid down by Nolan had enabled the Dane to do this with advantage.

He also said Terry was anxious for another match under the old Philadelphia rules; that the National A. C. was willing to conduct another contest, and that he would post \$1,000 to-day to bind the match, the money being paid as a side bet. Humphreys' statement follows:

"As long as Nolan, Nelson and the club officials have stated their side of the story, I think it is only fair to McGovern to let the public hear what we have to say. When I made this match for my man, the articles were signed by the fight to be held before Bob Deady's Club in the Second Regiment Armory. Nolan told me that he would not let the Dane fight before the National Club, as they had not adequate accommodations for the crowd that would care to see the fight. We posted our forfeit as a side bet, but Nolan acted in such a manner that Deady tried his tactics and threw the match.

### Secret Agreement.

"The first I heard of the new deal was when Harry Edwards, of the National Club, called on me in this city, and showed articles signed by Nolan. As long as this was the case, and as I wanted Terry to meet the Dane, I posted my forfeit with the club's stakeholder and signed the new articles. These articles called for Nelson to receive forty-five per cent. of the receipts and McGovern thirty. This was not satisfactory to us, and we made a secret agreement with the club to receive thirty-three and one-third per cent. which the club paid.

"Everything went along smoothly until the few days before the fight, when Nolan started to make up a new set of rules. We then received a message to meet on the day of the match, so that there would be no wrangling when the men got into the ring. The meeting was to take place at Edwards' office. When we arrived, we were invited to attend the meeting, but Nolan refused to suit me for a minute, and I positively would not unless the press was represented.

The rule allowing the referee to step between the boys in clinches, I fought hard to have allowed, but on this, as well as on every other matter, I was outvoted by Nolan and the club officials. It looks to me as if the club is determined that his man would have all the best of the rules, and rather than have the fight called off, we agreed.

The advantage of not having the referee separate the men favored Nelson. Three rounds Terry was bumped so badly by Nelson's head that he was unable to see where he was.

### Three Hours to Reduce Bumps.

"After the fight, it took us three hours to reduce the bumps. I acknowledge that the fight was not satisfactory from a spectators standpoint, but we contend we were not to blame. Most of the blame for the clinching is charged to Terry, while we know that the Dane was always hugging and wrestling him.

"The Dane hit Terry some very hard blows, but Terry claims that they were not heavy enough to put him out.

"To prove his claim, I am going to post a forfeit of \$1,000 to the club, and am willing to let the forfeit remain as a side bet. The next fight will have to be fought under the regular Philadelphia Club rules; that is, the referee is to separate the men in a clinch. We have been notified by the club that they are willing to negotiate for another contest, but it will have to go by their rules.

"What Terry wants is a straight stand-up fight, and he says that we will like the Dane."

### Hart Still Worrying.

CHICAGO, Ill., March 19.—Marvin Hart is anxious to retrieve his silver laurels, so suddenly snatched from him by Tommy Burns not long since. Farvia has accepted the Chelsea Club's offer to match him with George Gardner, to be followed by another battle with Gus Ruh. In case of a draw, the Chelsea Club will put out of the way, Hart will set sail for Tommy Burns, and promises to make short work of the shifty Canadian if he can get him into the ring with him just once more.

Hart says he will fight Burns before and after he comes to America for \$5,000 a side, and if he, Hart, fails to knock Burns out in twenty rounds, the latter can take all the money. He also agrees to meet Burns before any Philadelphia club in a six-round bout for \$1,000 a side, and, failing to beat him, will agree to forfeit his money. So Burns can make a very pretty penny if he can repeat his previous performance with Marvin.

### FOR AMERICAN CUP.

Second Tournament Played on Ground Covered by Snow.

(Special to The Times-Dispatch.)  
NEW YORK, March 19.—In spite of the snow which covered the ground and impeded the action of the players, the second game of the "cup" tournament, arranged by the reorganized American Foot-ball Association for possession of the old American Cup, now held in trust, was played between the Newark Celtics and the Kearny Stars at Cosmopolitan Park, Newark, yesterday afternoon. The match was closely contested by the rival teams throughout.

Neither side scored in the first half. During the second period the players made strenuous efforts to break the deadlock, but the defense proved too strong, and, finally, when the referee's whistle announced the end, neither side had been credited with a single point, a drawn game ensuing. Brooklyn, Miller and Bennett excelled for the home team, and Kennedy, McClellan and Parker did yeoman service for the Kearny Stars.

## TO DEFEND TITLE IN ENGLAND.

Miss May Sutton.

## Woman Champion Going to England To Defend Claim To Tennis Title

Miss May Sutton, First In Her Class, Will Make Trip From California To London In July.

(Special to The Times-Dispatch.)

NEW YORK, March 19.—Miss May Sutton, the present holder of the all-England women's lawn tennis championship, and a former American champion, will go to London in July and defend her claim to the English title. The American girl's decision to make the trip was revealed in this city yesterday, together with the further announcement that she will cross the ocean at the same time as the American challenging team that will compete for the Dwight F. Davis International Cup.

Miss Sutton, who is a Californian, won the English championship last season by defeating Miss D. K. Douglass, the defender, who failed to win even one set in the challenge match. Shortly before the match the English woman had wrenched her right arm while at practice. It was the opinion of the English followers of the sport that had their champion seen in the Wimbledon courts, she would have possibly fared differently. Appreciating the apparent cloud on her title, Miss Sutton has made her plans to again visit London and defend the championship against the winner of the tournament.

Before sailing for England the American girl has arranged to compete in many of the Eastern tournaments. In this round of play she will be accompanied by at least two, and possibly three, of her sisters, all of whom are experts with the lawn tennis racket. It is expected that Miss Florence Sutton and Mrs. Bruce, a married sister, will surely copiest in several of the meetings in this vicinity late in May and early in June. The three who plan to visit New York have recently been playing in the early tournaments on the Pacific coast, notably those on the Colorado courts, in which they came through to the finals, Miss May Sutton winning.

The English rating of the men players also includes the Americans who contested in the international tournament of last year. H. L. Doherty, their champion, heads the list, followed by Beale C. Wright, America's S. H. Smith, England; Holcombe Ward and William A. Larned, America; and A. W. Gore, England; William J. Clothier, another American, is rated seventeenth.

From information the English Lawn Tennis Association has received Beale C. Wright, Frederick B. Alexander, Holcombe Ward, Kneigh Collins and Clarence Hobart comprise the list that the American challenge team this year will be chosen from.

## JAY GOULD TO TRY FOR TITLE

Will Compete With Sands and Other Crack Players in Court Tennis Tournament.

(Special to The Times-Dispatch.)

NEW YORK, March 19.—Kingdon and Jay Gould are fine examples of what can be accomplished with boys by training them in athletics from babyhood and keeping them at it constantly. They were photographed recently in their father's tennis court while his greatest attraction in the gymnasium at Georgian Court, their father's splendid home, at Lakewood, N. J.

The boys are rated among the best polo players in America, and at racquets and tennis they rank among the first flight of amateurs.

In tennis Jay Gould has especially distinguished himself, although he is only seventeen years old. When Peter Latham, the professional racquet champion, was visiting here two months ago he played in several exhibition matches at Georgian Court. Jay Gould and his English expert played a match with George Standing and Charles E. Sands, one of the best amateurs in the country. Gould and Latham won.

Jay Gould thought he had a chance with the great Latham. His father laughed at the idea, but the match was made. The boy played a wonderful game for an amateur, especially for one of so few years' experience, and Latham barely beat him out.

"When he's ripe he'll hold the best of them even," was Standing's verdict. Jay Gould is to compete with Sands, Florie, Lorrillard, Jr., and other crack players in the national court-tennis championship at Tuxedo, Saturday, and experts who have seen him play at Georgian Court during the last week look to see him win the gold racquet.

### The Danville Team.

(Special to The Times-Dispatch.)  
DANVILLE, Va., March 19.—The players for the Danville base-ball team, which won the pennant last year in the Virginia-Carolina base-ball league, have begun to arrive in the city. Manager Selby last night played a match with the Danville team, and the Danville team was victorious in the Virginia State League as they were in the two States League.

Horsemen are beginning to ship their stables North. Some will go to Benning and New York. The stables of W. H. Snyder, Tom Mannix, W. R. Midgeley and J. Prangle were shipped to-day. ### NORFOLK WANTS BOWLING TOURNEY

(By Associated Press.)

LOUISVILLE, Ky., March 19.—The end of the second day's play in the tournament of the American Bowling Congress showed an improvement over the work of the first night.

The two-men teams and the singles were started to-day, with the five-men teams occupying the night session, and this order will be maintained throughout the tournament.

To-night several of the crack Eastern and Middle Western five-men teams appeared. The Century's No. 1, of Chicago, rolled 934 in their first game, 997 in the second, and finished with 863, making a total of 2,794, the best score to-night.

Norfolk, Va., to-day entered the field for the next meeting of the congress. There are now four cities contesting for the next convention—Philadelphia, St. Louis, St. Paul and Norfolk. The three candidates for president—Baltz, of Philadelphia; Kaufman, of Cincinnati; and Ebbetts, of Brooklyn—have kept up a steady fight through their headquarters here. Secretary Karpf, of the National Association, will have practically no opposition for re-election.

As the report of Secretary Karpf was not ready to be presented, the opening session of the congress was postponed until to-morrow.

### BROOMSTICK OUT.

Game Little Son of Ben Brush

Has Run Last Race.

(Special to The Times-Dispatch.)

NEW YORK, March 19.—Broomstick, the game little son of Ben Brush, that holds the mile and a quarter record of 2:02-4-5, made the day he won the Brighton Handicap in 1904, has run his last race. He is now quartered at Captain W. H. Brown's Stable, where he will be placed at his head as the leading stallion.

Very few three-year-olds could beat Broomstick, but as a four-year-old he met with many defeats. This change in form was due to physical ailments. Just before he became a four-year-old he was taken ill with catarrhal fever, and at one time it was feared he would die. But he was such a rugged, hardy colt that he recovered enough to gallop and take exercise.

His wind was badly affected, and all last season he "whistled" badly after each race. In spite of his affliction, he won several races, and on days when the weather was bright and warm, he beat several fast horses in his old-time style. Then at his best he was a great race horse, and he was liked by race-goers, among whom he was a great favorite because of his consistency.
